**CORRECTION TO SUBMISSION OF VERIFIED TRANSLATION**

Honorable Commissioner for Patents  
Washington, D. C. 20231

Sir:

On September 24, 2001 a *Submission of Verified Translation* was filed in the U.S. Patent and Trademark Office. Applicant notes a typographical error in the transmittal letter which accompanied the verified English translation of the priority document. Specifically, the Japanese Patent Application No. should read as 9-092935 and not as 9-092936. Also, the filing date should read as March 26, 1997 and not March 27, 1997. It is noted that the reference number on the first page of the translation corresponds to that shown on page 1 of the previously submitted priority document. Reconsideration is respectfully requested.

If the Examiner has any further questions concerning this matter, he is invited to contact the undersigned.

Respectfully submitted,
